Future Water Supply

A tentative date of September 9 has been specified for the hearing of further evidence regarding plans for Melbourne's future water supply.

Cr. J. J. Ginifer reported on attending a meeting convened on August 16 in the Melbourne Town Hall. Mayors, presidents, town clerks and shire secretaries of metropolitan councils were present.

Cr. J. J. GINIFER

The meeting was addressed by Mr. A. Ronalds, chief engineer of the Board of Works, regarding the Board's submissions to the P.P.W. Committee which is inquiring into Melbourne's future water supply.

After the discussion in which Cr. Ginifer made an

LEAVE

The shire secretary (Mr. W. Waters) has been granted a week's leave commencing on September 23.

He will attend and assist in the organisation of the annual conference of the Institute of Municipal Administration which takes place in Melbourne that week. The week concerned is now week. The councillor who moved the motion that the secretary be granted leave expressed the hope that Mr. Waters would not be sick while playing truant from the conference to ride the big dipper at the Show.

NO SCRAP YARD

At the last council meeting Cr. S. McIntosh smartly moved a motion that permission not be granted for a scrap yard in Irwin Ave., Altona North.

A Footscray resident had sought permission to use an under-sized block of land for scrap cars, selling scrap metal (it would not be just dump).

The engineer commented at the balance of the block question was acquired by the State Electricity Commission some time ago and probably the compensation at the time would take into account that the block is now useless.

Cr. G. den Dulk suggested such a yard was allowed it could be a "second Muldowry"—this is a block in another residential area which, with its conglomerate of junk thereon, is a constant source of trouble to council.

Cr. Irwin seconded Cr. McIntosh's motion and council unanimously agreed to it.

effective case in support of the Board's plans certain decisions were made.

It was decided to form three sub-committees—

1. Consisting of the municipalities bordering the Yarra River above Dights Falls.

2. To the municipalities below Dights Falls.

3. For the municipalities affected by the possible diversion of the Maribyrnong River.

Altona is a member of the last sub-committee which also includes Werribee, Sunshine, Bulla, Kellor and Broadmeadows. Altona became the convening body and a meeting has been proposed for September 4 to consider and co-relate evidence in opposition to the diversion scheme proposed by the State Rivers and Water Supply Commission.

The meeting is to be attended by the mayor or the president of each municipality, the secretary or the town clerk, the Board of Works Commissioner and any other councillors available.

Shortage of time may not permit a meeting.

If it cannot be held prior to September 9 Altona will go ahead on its own. It will present such evidence available to it and stress the need for a further meeting to present evidence for the whole sub-committee.

Bus Shelters

The bus shelter at the extreme end of the housing development in Maidstone Street is not well sited for the majority of residents.

This is the opinion of the shire engineer (Mr. R. C. Simmons) as expressed in his report to the council.

His recommendation that the shelter be moved to the south side of Merlow Street, approximately 20 feet from Maidstone Street was endorsed by council.

However, Mr. Simmons did not recommend the erection of a bus shelter on the north west corner of Millers Road and Blackshaws Road intersection as requested by the bus line.

He pointed out that large volume of traffic already passes through this intersection and the volume will increase in the future.

Therefore, he suggested councillors keep in mind the probability of signal lights being installed. Road traffic regulations require that no vehicle be left standing within 60 feet on the approach side of a traffic signal.

Cr. J. J. Ginifer suggested the south-west corner of the intersection could be metalled and a shelter erected nearby. He moved that the engineer's comments be endorsed and a bus shelter be established near the south-west corner. Council agreed.

ELDERLY CITIZENS CONTRACT TO LOCAL FIRM

The contract for the extensions to the Elderly Citizens' Centre has now been signed and sealed.

The successful tenderers were H. & L. Weaver.

The contract calls for completion of the work 19 weeks from the date of contract which was approved by the council on August 27. It thus appears that the work will be completed in January, 1964.

Their team of eight men and up to 42 sub-contractors are mostly local men and the firm is glad to keep their work within the shire.

The Camels are Coming

Some people are believed to see pink elephants. Laverton residents are different. They see camels. This was the case last Tuesday morning when a camel decided to view the sights of Laverton.

When a passing motorist reported the wandering nomad to the Werribee Police they were inclined to be rather sceptical and looked twice at the motorist. The police found it rather hard to believe a camel was travelling under its own steam along the Princes Highway, but thinking it would not be intelligent enough to observe the rules of the road they investigated the report.

The police proceeded to stop motorists to ask them if they had seen a camel on the highway. A burly truck driver replied, "Yes, and my brother is the Sheik of Araby." An Italian motorist took a packet of Turf Cigarettes out of his pocket, apologised to the police because he did not smoke Camel and offered them a Turf; a very polite gentleman said no, he was sorry he had not seen a camel, but he had passed a herd of elephants.

When suspicious residents were asked if they had seen the camel they replied, "Won't buy into that one." Other typical Australian expressions from incredulous motorists are unprintable.

The Werribee Police with a divisional van from Footscray finally caught up with the camel in a paddock off Doherty's Road, but did it come quietly? Not on your life, it liked freedom. It escaped from the paddock and lead the police a merry dance along the Deer Park Road. The police finally cornered it near the Drive-In Theatre. No doubt it wanted to see the show that night.

But, alas, the owners of the camel arrived on the scene, they decided their erring pet had too much freedom and proceeded to lead it back to their camp near the Kororoit Creek Bridge on Princes Highway, Brooklyn.

New Bus Route

The new bus route Altona Bus Lines will operate along McIntosh Road, Mills Street, and Cyclamen Avenue will commence to run on September 9.

Prior to the service commencing the council will grade the rough formed roads on the route.

MILLERS ROAD BRIDGE

At long last the construction of the Millers Road bridge is nearing completion.

It is anticipated that south bound traffic will be able to use the bridge before the middle of next month.

Pending the completion of the ends of the approaches, north bound traffic will have to use the old timber bridge for approximately one more week.

ROOF FOR NEW COUNCIL CHAMBER

At last the council is to get a roof over its head.

There has been a lot of controversy on the colour and type of material to be used on the dome roof of the new council chamber.

At last a solution has been found.

The roof will be covered with fibre glass.

A motion passed at the last council meeting was "That the covering material of the Council Chamber Dome roof be copper pigmented epoxy resin fibre glass laminate with an extra covering of clear material to smooth out the rough fibre texture."

SNOWDROPPERS!

Housewives, beware! Snowdroppers are once again active.

A resident of Sussex Street, Seaholme, has reported the disappearance of washing from her clothes line during last Tuesday night.

FREE FILLING FOR LANDOWNERS

Suitable filling is to be made available by the Altona Shire Council to landowners in Civic Parade, Altona.

During periods when there is an exceptionally high tide, such as in July, the capacity of the drain in Civic Parade (the drain leads directly into the sea) is reduced very substantially.

Consequently water banks up in the drain and limits the possible inflow into the drainage system.

Under these conditions low lying areas become flooded if rain falls at about the same time as high tide, conditions prevail.

To alleviate the possible flooding of established properties as a result of the ex-

tensive land reclamation work undertaken by Geo. Wimpey and Co. north of Civic Pde., the shire engineer (Mr. R. C. Simmons) recommended to the council that suitable filling from street making jobs be made available to landowners fronting Civic Parade to raise the level of the rear of their properties.

The council adopted his recommendation.

NO POSTPONEMENT

The Presidential Social Evening tonight (Thursday August 29) will not be affected by the power restrictions.

The shire secretary (Mr. J. W. Waters) said auxiliary power will be available to light the Youth Hall.

SAFETY SYMPOSIUM

Cr. H. W. Lee reported attendance at the meeting organised by the National Safety Council at the Altona Refinery.

He was much impressed by the facts and arguments presented. He thought Altona Council should show the way by appointing a Safety Officer from among its staff.

The council decided to affiliate with the National Safety Council and also to refer to the staff committee Cr. Lee's suggestion.

OIL COMPANY AWARD

At a meeting of oil company employees in Melbourne on Wednesday morning the proposed oil award was rejected by a majority vote of 9-1.

Workers from the Refinery, Petrochemical Company and other oil installations in Melbourne were present at the meeting.

They objected to the disputes clause which does not allow employees the right to stop work. All disputes are to go through the Arbitration Court.

The award has been accepted by Sydney employees and has still to be considered by the Geelong and Adelaide Refinery employees. A majority decision of the four areas will decide whether the award is accepted or rejected.

ESPLANADE FLOODING

Mr. Beitins in a petition signed by himself and other residents of the Esplanade who were affected by recent floods, made certain suggestions to the Altona Shire Council to alleviate future flooding.

These were that oversize gratings be installed in the gutters. Further that some responsible officer of the council be delegated to remove same when it became evident that the flow of water back to the sea was being interfered with by clogging with seaweed or debris.

Cr. Lee expressed his sympathy with the petitioners and moved that the engineer, Mr. R. C. Simmons, investigate the suggestion. He was supported by Cr. McIntosh. The council agreed.

COSTS BELOW ESTIMATES

Final costs for underground drains and concrete paths in Altona North have proved favourable.

In three sections completed the costs were well below the estimate.

In the area between Millers Road and Cyclamen Avenue estimated cost of £18,180 was reduced by £2410 to £15,770.

In the eastern section adjoining, the estimated cost of £17,938 became £15,506, a reduction of £2432.

The smaller scheme between McIntosh Road and Hatherley Grove was estimated to cost £3936, but was reduced to £2819, a reduction of £1117.

USE OF SPORTS GROUNDS

The Shire Council is calling for applications from all organisations interested in using any of the council's sports grounds during the summer period commencing October 1, 1963.

The council has many requests for the use of its grounds, therefore, to ensure having a ground allocated for their use, it is essential for all clubs to apply to the council. Closing date for applications is September 16. See advertisement in this issue of the "Star."

DROVE OVER CROSSING WITH CHILDREN ON IT

Joseph Sammut, of Mills Road, West Newport, was fined £10 for crossing a school crossing in Millers Road, Altona on June 3, 1963, whilst children were on the crossing.

EDITORIAL

Pessimism

Of what use is a pessimist. He can serve as a butt for humour. A pessimist is a man who wears a belt and braces, or a woman who carries an umbrella and a parasol as well.

Through the ages he has been the target for writers and wits. Even Job of old was told, "Man is born to trouble as the sparks fly upwards." An ancient Roman said, "He grieves more than he needs who grieves before he needs." The modern cynic says, "The optimist preaches we live in the best of all worlds, the pessimist fears that this is true" or a like thought. "A pessimist is one who has been intimately associated with an optimist."

However, pessimism has a real part to play. Pessimists fear what might happen and take precautions. Our safety rules, our health standards, our engineering, building and other regulations owe much to this influence. We insure our lives and our homes. We save against a rainy day. In the business world every possible adverse effect is considered and accounted for.

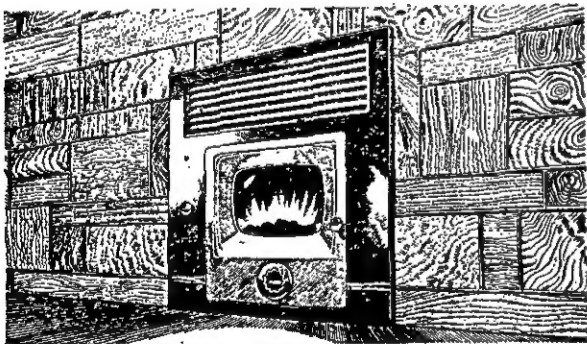

The evils of pessimism are obvious. Nations fear each other and so indulge in a perpetual and calamitous arms race. We can over-insure, and our precautions can become arduous and expensive. Our savings can limit present comfort.

Here in like manner as the optimist, the pessimist must seek to be a realist. The past, the present, and the future should be the base of his attitude.

The optimist and the pessimist should each strive to be more a realist.

Their view points may never coincide. They can come closer.

I.N.F. AWARDED DISPUTED GAME

The independant tribunal of the Werribee Football League last night awarded the disputed I.N.F.—Altona match of last Saturday to I.N.F. when they decided that the final scores should have read I.N.F. 11 goals 13 behinds 79 points, Altona 11 goals 7 behinds 73 points.

In summing up, the tribunal chairman, Cr. H. L. P. Powell, stated the tribunal had considered the aspects of the game and found that both goal umpires had erred in the excitement of the final term.

Before giving this decision Cr. Powell stressed that he hoped the decision would be taken in a sportsmanlike manner.

The League Ladder now is as follows—

SENIOR LADDER					JUNIOR LADDER				
	W	L	%	Pts.		W	L	%	Pts.
I.N.F.	14	3	186.53	56	Centrals	16	1	803.06	64

S. Rieger Wins Best & Fairest

STEVE RIEGER, Williams-town C.Y.M.S. star ruckman, has won the "Mayall" Trophy for the Junior Best and Fairest by two votes from Newport centre man ANDY STEWART.

Stewart could be termed as unlucky as he received one first vote, eight second votes and four third votes, compared with Riegers seven first votes and four third votes.

Leading vote getters were as follows—

- 25 S. Rieger (C.Y.M.S.).
- 23 A. Stewart (Newport).
- 18 D. Traianon (South), E. Szatkowski (Centrals).
- 15 B. Allison (South).
- 13 E. Wallace (Centrals).
- 12 I. Gathercole (Centrals), P. McLean (Altona).
- 11 G. Munro (Altona), G. Sheahan (Werribee), R. Reddy (I.N.F.).

Full details will appear in a later issue.

Letters TO THE EDITOR

DISTRIBUTION OF SCHOLARSHIP AWARDS

Dear Sir,

As secretary of the Altona and Seaholme State Schools Scholarship Fund for many years, until lack of financial support caused its cessation, allow me, Sir, to voice my opinion of this subject.

Firstly, there should be an understanding that scholarship awards are awards for merit and should not be subject to commercialism or advertisement in any shape or form.

This is the condition that young students eligible to partake in any such award should really be made aware of.

The award of any particular scholarship is subject to Education Department approval and conditions and it is quite apparent that this set up is very much in favour of the recipients of awards.

An attempt was made by the above fund to set up a combined Scholarship Trustee Committee to cater for all schools in the Shire in conjunction with the Shire Council. Most unfortunately this proposal, although fully endorsed by all present at the meeting called for this purpose, lapsed.

Information and data relative to 17 years of successful scholarship awards covering some 50 or more students is available and might prove of some value in future discussions.

—G. H. HARRIS.

PERSONAL

Mrs. Lena Cox of Queen Street, Altona, is a patient in the Mercy Hospital.

Following an operation last Saturday fellow members of the Altona Bowling Club wish her a speedy recovery and express the hope that it will be not too long before she can again participate in club activities.

CITIZENSHIP AWARD

Dear Sir,

Allow me space to present my views re local Citizenship Awards.

It, in my opinion, has its merits and disadvantages. Although not fully aware of its full text as regards recipients, I feel its general set-up is far from perfect.

Firstly, it does not state whether or not the award could be posthumous—many Altona citizens who have passed on rendered this community, service and loyalty over very many years when things were not quite so rosy as in present times. They should surely be entitled to be eligible in any such award.

I trust also that one of the conditions of the award is that it is non-political.

I Sir, have names to submit, but unless these particular points are cleared up or made public, I feel that this award might be inadvertently misplaced.

And lastly Sir, the section that states nominations for an award must be submitted by a councillor, to put it briefly, is bad.

—A RESIDENT OF 35 YEARS

GYMKHANA

The 4th Annual Horse Show and Gymkhana conducted by the Braybrook Horse and Pony Club will be held at Truganina next Saturday, August 31.

The show is open to everybody and commences at 10 a.m.

It is expected that good show stock will be present as owners will be eager to obtain extra experience prior to the Royal Melbourne Show.

Besides the open events which includes a jumping event with a prize of £15, there will be pony club jumping and pony club teams on the flat.

Lunch and afternoon tea will be available. Entrance fees are 4/- adults, 1/- children. For further particulars ring Mrs. Forsyth, 68-0427.

THOUGHT FOR THE WEEK

And why be anxious about clothes? Consider how the lilies grow in the fields; they do not work, they do not spin; and yet, I tell you, even Solomon in all his splendour was not arrayed like one of these. (Matthew 6: 28-28.)

NO PERMIT FOR BOOT REPAIR BUSINESS

In keeping with previous applications seeking approval to establish a boot repair business in Pier Street, south of the railway line, the council refused another application at their last meeting.

The application was made by Mr. G. Keutros, who has already moved in and commenced business at 91 Pier Street.

Under the Council's Interim Development Order for this area, before any shop can be built, altered or occupied an application must first be made to the council.

Councillors were adamant that they should stand by previous decisions.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

Sentenced To Penal Servitude

A group of 33 students and four teachers from Altona High School have been sentenced to a week's penal servitude in Van Dieman's Land, commencing from Tuesday, September 3. It is understood that the original cells at Port Arthur are being made available for their accommodation.

The group were adjudged guilty of having sufficient cash to squander on an educational tour, and as a result have been obliged to make definite preparations for their impending departure from these fair shores.

It is intended that the poor offenders will have to trek all over the penal settlement and that the entire sentence will be of an educational nature. To mark this fact, normal Altona High School prison garb will be worn.

(The above item has been lifted in its entirety from "Struth," the third issue of the Altona High School students own magazine, "Debris.")

Last time we "borrowed" an article from "Debris" the students threatened us with consequences. We think students should be honoured that we would stoop to using debris.)

FIRST RESULT FROM MINISTER'S VISIT

Altona West Primary School has already benefited by the recent visit of the Minister of Education. A floor polisher has been provided for use in the school. Two previous applications for a polisher were refused by the Department.

But when the problem of trying to clean the school floors after mud had been ramped it was pointed out to the Minister, he agreed the polisher was a necessity.

ALTONA HIGH SCHOOL

Open day and night at the school was a great success. Some hundreds of parents and friends attended the school and viewed the many displays of students work which was on show.

On this Friday Form V. students will be sitting for their terminal English examination.

BOWLING CLUB NOTES

Sunday's winning rink was skipped by Noel Richardson playing with Edna Beyer and Edna Russell.

Birthday greetings to Phyllis Levens and Dennis Emery. Congratulations to Vera and Dennis Emery on their 20th wedding anniversary.

The new social committee held its first social last Saturday night in the club rooms. Although attendance was small the social committee was not disheartened as they feel future socials will prove to be more popular.

MEN'S DINNER SUITS

FOR HIRE ALL SIZES

Weddings, Deb. Sets, Balls, etc.

PROFIT OR LOSS?

Primary School Mothers' Clubs are always out to make a profit.

On Education Day one Mothers' Club erected a stall and proceeded to sell various goods, including shrubs, to visitors.

As the shrubs did not cost the club any money the profit margin on this line was 100%.

How were the mothers to know the shrubs were not a donation to the stall, but were purchased by the School Committee for planting in the school grounds?

The questions are, did the mothers' club hand over the profit, and did the committee make a profit or loss?

UNCLAIMED MONEY

"Committee of Altona Progress Association C/- R. J. Gilmore, 36 Bracken Avenue, Altona. £28/9/5."

The above information is included in a list of unclaimed moneys which banks have paid into Commonwealth unclaimed funds.

"Altona" is how the name is spelt in the listing, but this could be a mis-spelling of Altona. Bracken Avenue could be Bracken Grove.

This unclaimed money was paid into the fund by the Commercial Bank of Australia Limited.

The owners of the money may collect it by establishing their identity and proving their claim to it.

Inquiries should be made to the bank concerned.

ALTONA TENNIS CLUB NOTES

The opening day for the 1963 tennis season held last Sunday was most successful in spite of weather conditions.

The response to the appeal for new members was very gratifying and resulted in the four courts being used by both seniors and juniors.

The club therefore again invite any interested persons to join them next Sunday at 2 p.m. They will be made most welcome.

The social committee plans to hold a ladies day on Tuesday, September 3, commencing at 10.30 a.m.

It will take the form of tournament and a trophy will be awarded to the lady with the highest score.

TERM HOLIDAYS

On reading the "Star" of last week State Primary and Secondary School children were jubilant at the extra long second term holidays.

The "Altona Star" published the beginning of term three as Tuesday, September 16.

Sorry, students, the head teachers and principals of the schools say the "Star" cannot grant extra holidays, and you must report for term three on Tuesday, September 10.

PERSONAL

Mr. R. M. Soutar, of 1 High Street, Laverton, has returned home from a two weeks business trip to Tasmania. He went on customs duties.

PATRONAL FESTIVAL

Next Sunday, September 1, St. Eanswythe's will be keeping its Patronal Festival.

There will be special services in the morning, at the usual times, and in the evening, at Evensong, there will be a Pageant of St. Eanswythe, presented. This pageant sets out the known facts about the life of St. Eanswythe, and shows something of the times in which she lived.

It was written especially for the occasion by the Rev. Ian Brown, of Glenroy, and Mrs. Moriarty.

A number of the parishioners have been preparing the pageant for some time, and they show promise of making it a memorable occasion.

After the service and pageant there will be a social gathering over supper in the hall.

The cope that will be worn in the procession on St. Eanswythe's Day is the original one made for the first Bishop of New Guinea.

Next Wednesday evening, September 4, St. Eanswythe's Ladies' Guild will be welcoming a representative of Inter-Church Aid to speak on the work of his organisation.

The organisation aids needy people all over the world. A movie film of the work will also be shown.

Invitations have been sent to other ladies groups in Altona, and all ladies will be welcome.

ELDERLY CITIZENS' CLUB NEWS

The committee wish to thank Professor Mosella and all who came along to the lecture and slides on Aborigines that inhabited Altona, and made the night a success.

BIRTHDAY PARTY

The next birthday party will be held on August 31 for all members who had birthdays during the month of August.

DANCE

The next dance will be held on Saturday, September 7 at 8 p.m. Admission for adults is 3/- and 1/6 for children. Supper will be provided.

PERSONAL

Early in September Mr. Bob Verlander, secretary of Australian Carbon Black, will leave on a three months business trip to Europe and America.

Mr. Verlander with his wife and family, lives in Blyth St., Altona.

WEDDING ANNIVERSARY

Recently it was congratulations to Mr. and Mrs. Ray Patterson, of Blyth Street, Altona, for their 20th wedding anniversary.

To celebrate the occasion Mrs. Patterson's sister, Mrs. Cummins, of Webb Street, invited relatives and friends of the couple to a party in her home.

CO-INCIDENCE

It is unusual for Altona Taxis to have a long distance fare.

When Perc Weildon picked up a passenger last week he was instructed to proceed to Dandenong. So off to Dandenong went Perc—30 miles there, and 30 miles back.

Ten minutes after he had left the district the other Altona taxi driver sighted a strange taxi dropping a fare in Altona.

Where do you think the taxi had travelled from?—Dandenong!

NURSE PASSES EXAMS

Miss Yvonne Gates, of 16 Rayner Street, Altona, has passed her final nursing examination at the Footscray and District Hospital.

Yvonne plans on staying at Footscray Hospital and studying for her midwifery certificate.

When she has completed her studies she would like to travel.

THEATRE NIGHT

To aid the funds of the Laverton Girl Guides, a theatre night to see the "Merry Widow" has been arranged for Monday, September 23.

Seats which normally cost 30/- are available for £1 and tickets may be purchased from Mr. E. R. Gillett, 7 High St., Laverton.

FRANK'S

MEN'S AND BOYS' WEAR

Full stocks of new season's sport shirts are now in.

Also famous "COUNTRY CLUB."

GIVE DAD A SHIRT FOR FATHER'S DAY.

New American-inspired styles...

ARROW

CASUAL SHIRTS

Don't miss our new season's collection of fashion-right Arrow Casual Shirts. In a wide range of magnificent colours, with smart styles to suit every man. All superbly tailored by Arrow in modern easy-care fabrics.

FRANK'S MEN'S AND BOYS' WEAR

76 RAILWAY STREET ALTONA. 65-8940

(Opposite Station)

ALTONA BOWL

BORRACK SQUARE, ALTONA NORTH. (ADJACENT TO THE CENTRAL HOTEL.)

PHONE: 65-3455.

THE SATURDAY MORNING JUNIOR COMPETITION

COMMENCES AT 9 A.M. EACH SATURDAY.

PRIZES ARE AVAILABLE FOR THREE SECTIONS—

SECTION 1—13-15 years.

SECTION 2—10-12 years.

SECTION 3—Under 9 years.

Winners of the competition on August 17 were—

Section 1: J. Zerafa. Section 2: D. Jovanovic.

Winners of August 24 were—

Section 1: Michael Calaz. Section 2: Barry Bolger. Section 3: Martin de Neef.

The coffee shop attached to the Altona Bowl is now serving hot snacks at all times during the day and evening.

On Sundays moderate priced meals are available with full liquor service at the Central Hotel, next door to the Bowl, from 12-2 p.m. and 6-10 p.m.

SENIOR RESULTS FROM SATURDAY

ALTONA-I.N.F. GAME UNDECIDED

I.N.F. and Altona staged a hard fought game at Chirnside Park on Saturday in a game which, owing to the difference in scores held by the respective goal umpires, was in the balance until a decision was made by the Werribee Football League independent tribunal last night (see Page 2).

	I.N.F.	v.	Altona
1st Quarter	1 6 12		2 2 14
2nd Quarter	5 7 37		8 5 53
3rd Quarter	8 9 57		8 7 55
FINAL	?		?

The game commenced in premiership style and remained so for the entire 100 minutes. Both sides threw everything they had into the game and, consequently, there were many fiery incidents.

Although the football was a little below par, the interest remained throughout because of the evenness of the teams. With the wind advantage INF held the lead at quarter time, mainly because of the good work of Mickey Miller on the wing and Ron Carroll in defence.

In the second quarter INF attacked immediately to goal. This put Altona on the defensive, when they should have been attacking.

Another goal by INF gave them a decided advantage and things looked grim for Altona. However, as has become typical of them, they revived and with a brilliant burst of football took control of the game in many positions.

Noel Rohleder was roving intelligently and Barry Lock and Denis Callander were combining well in defence. They scored five goals in a short space of time and led by approximately three goals at half time.

INF attacked continually in the third quarter, but found difficulty in passing Altona's solid defence.

At this stage Altona's centre half back Mario Piovesan and his opponent Sam Pante were staging an interesting tussle,

but the latter appeared to be having some trouble in settling down against his more robust opponent. Frank Melican was leading an equally as good defence for INF and with both sides finding it hard to score the game became a hard-slogging affair. INF, however, gained the initiative this quarter because of the sensible scouting around packs of their captain Peter Wakefield.

In complete contrast, Altona were hunting in packs and were infringing at the wrong time, giving their opposition many golden opportunities.

At three quarter time the scores were so even that the last term promised to be a beauty. And it certainly was.

The game became overheated for a few minutes as the pressure was applied. It was very even with both sides crowding in and making scoring hard to come by. Had either side opened the game up it would have ran right away.

The rest of the game is hard to describe as the result remains in doubt. Whichever side gets the verdict will be fortunate, but, no matter what the result is, both these teams deserve a place in the grand final on the form that was shown.

Best.—INF: M. Miller, R. Edwards, Melican, Pante, R. Carroll. ALTONA: Rohleder, York, Lock, Piovesan Callander.

EASY FOR NEWPORT

Newport again boosted their percentage when scored a crushing victory over Williamstown Rovers at Newport on Saturday.

	Newport	v.	Rovers
1st Qr.	7 8 50		0 0 0
2nd Qr.	13 14 93		0 0 0
3rd Qr.	17 21 123		1 2 8
FINAL	24 25 169		1 2 8

With only 16 men Rovers made it reasonably easy for Newport. They received little opposition from the Rovers defenders who were fighting an uphill battle to prevent them from scoring. Had the efforts of full back Terry Matthews and ruckman Ron Dingey been rewarded Rovers may have made a fight of it, but as it was, their class and their lack of strength made it a dismal affair.

When Rovers did attack they usually found Newport's Ken Withers in the way. Around the ground Newport had full control. Newcomer Ray Moorfoot was impressive, as also was rover Barry Johnston. On this form Newport seem to be again moulding into a good combination, but it would appear that it may be a little too late to experiment with inexperienced players, even though they have no alternative.

Best.—NEWPORT: Moorfoot, Withers, Johnston, Hynes Lynch. ROVERS: Matthews, Lawson, Chamings, Dingey, J. Pitt.

Goals.—NEWPORT: Johnston 5, Moorfoot 5, Hynes 3, Evans 3, Young 3, Dooley 2, Sievwright 2, Magree 1. ROVERS: Dingey 1.

FARM OUTCLASSED

Werribee South asserted their supremacy by completely outclassing Metro Farm in a one-sided game at Soldiers' Reserve on Saturday.

	Metro Farm	v.	W. South
1st Qr.	0 2 2		4 2 26
2nd Qr.	2 6 18		5 5 35
3rd Qr.	2 6 18		10 11 71
FINAL	5 8 38		13 18 96

With perfect teamwork and co-operation South took command and never left the result in doubt.

They were in control in most positions specially in defence where Bob Dove had the ball on a string. Len Allison was in good form in the centre and Andrew Gouloupoulos combined him good form by dominating the ruck.

Farm again lacked zip and all the hard work was left to their captain and coach John Martin, and Denis Cooney and John Cooney. These players repeatedly attempted to lift their weak team mates to better things, but found that each time they did they were receiving little support.

Best.—WERRIBEE SOUTH: R. Dove, Gouloupoulos, L. Allison, Fielder, Stoios. METRO FARM: Martin, J. Cooney, Aldersea, Williamson, Guzzardi.

Goals.—SOUTH: T. Stoios 3, Gouloupoulos 3, D. Dove 2, Munyard 2, Dent 2, Garfield 1. METRO FARM: Williamson 2, Martin 1, Arch 1, D. Cooney 1.

ALTONA FOOTBALL CLUB NOTES

"STAR" AWARD
Saturday's votes for the "Altona Star" award for the best and fairest senior Altona footballer are—

M. Piovesan, 3; B. Locke, 2; N. Rohleder, 1.

The progressive total is—15 D. York.

14 N. Rohleder.

13 M. Piovesan.

Only one of the above three players can win the award.

GOALKICKERS

SENIORS	
Townsing (INF) (3)	82
Rowson (Alt.) (3)	56
Pante (I.N.F.) (1)	50
T. Stoios (South) (3)	50
Stephenson (Alt.) (1)	39
Piovesan (Alt.) (0)	34

JUNIORS

Crawford (Cent.) (2)	78
Page (Alt.) (8)	53
Rieger (CYMS) (6)	48
Hill (Cent.) (1)	44
Edwards (South) (4)	40
Munro (Alt.) (4)	38
Gathercole (Cent.) (2)	38

ALTONA JUNIOR FOOTBALL CLUB

A committee meeting will be held on Wednesday, September 4 at Mr. and Mrs. R. Bottomley's, Seaholme, at 8 p.m.

The Junior Circle winner this week was No. 64.

"STAR" AWARD

Sunday's votes for the "Altona Star" award for the best and fairest junior Altona footballer are—

G. Munro, 3; P. McLean, 2; G. Tyrell, 1.

The final total is—

19 P. McLean, G. Ewen.

17 G. Munro

15 A. Bartolo.

Paul McLean and Geoff Ewen tied for first place, but McLean received three first votes to Ewen's two and has won the trophy on a count-back.

CENTRALS BY 36 POINTS

In a dull game at Langshaw Reserve on Saturday Central Altona proved too good for Laverton and won by 36 points.

	Central Altona	v.	Laverton
1st Qr.	1 8 14		0 0 0
2nd Qr.	3 11 29		3 3 21
3rd Qr.	5 18 48		3 5 23
FINAL	8 19 67		5 7 37

As their last meeting resulted in a draw these teams commenced the game enthusiastically but it soon became evident that on this occasion Centrals had too many answers for their opponents.

Alan Chandler and Alan Fraser fought tenaciously for most of the day to keep Laverton in the fight, but their efforts went unrewarded.

Had they kicked more accurately Centrals would have won by even more and as bad kicking is bad football, they will have to remedy this fault before they hope to succeed in the future. Roger Cleland and John Murrell battled tirelessly all day and must receive some credit for their side's good win.

Best.—CENTRALS: Arnold, K. Murrell, Trevilla, Cleland, J. Murrell. LAVERTON: T. Sewell, A. Fraser, Green, A. Chandler, Lyons.

Goals.—CENTRALS: Arnold 3, Trevean 2, K. Murrell 1, T. Glynn 1, Barnes 1. LAVERTON: Sewell 2, L. Hall 1, J. Hall 1, Brown 1.

South For Second Place?

Because NEWPORT'S unfortunate losses of key players through injury, WERRIBEE SOUTH should prove too fast and strong for them in the game of the day in the Werribee League at Chirnside Park on Saturday. The winner will take second place.

South have youth and experience blended into a team which is playing well. Their experienced players have found form and their younger brigade have gained the experience of almost a season and are using that asset to advantage.

Newport have had to fill many places with inexperienced players and it may prove too near final time for these players to find their feet in the senior competition. The inclusion of these players, although compulsory, has upset the balance of the side and it is hard to see them beating South on Saturday.

WILLIAMSTOWN ROVERS are not a champion side but they could push METRO FARM on Saturday at Newport.

Farm are not teaming well and are lacking bite around the ground. However, even though Rovers will fight it out to the end they will find Farm's knowledge a little too great for them and they

JUNIOR RESULTS FROM SUNDAY

SOUTH THRASHES WERRIBEE

Greater strength and experience enabled Werribee South to score a convincing win over Werribee at Chirnside Park on Sunday. Although they won by a great margin Werribee South dropped to third place as a result on a mammoth effort by Altona in winning their game.

	Werribee South	v.	Werribee
1st Qr.	2 3 15		2 2 14
2nd Qr.	6 9 45		2 2 14
3rd Qr.	7 12 54		3 3 21
FINAL	11 15 81		3 3 21

In a vigorous hard fought first half South always looked the better side but silly infringements on numerous occasions gave their opponents many opportunities.

Both sides were solid in defence and this made scoring rather difficult. Graeme McNaughton and Robert Brown were like brick walls in defence for South, whilst for Werribee, Barry O'Brien and Michael Sheahan repelled many a South attack.

After a heavy downpour of rain in the second quarter, South took complete control. Their teamwork was excellent at times, but they had one bad fault. This was in their tackling, where on a number of occasions their silly scrag-

ging earned the displeasure of the umpire. However, the full time the game went the further they went ahead and they can only strengthen a few positions and play the ball they could be a force to reckon with in the forthcoming final series.

Werribee fought hard all day and credit must be given to them for doing so. There is little doubt that when final time arrives next year, a familiar Werribee cry is to be heard in the foreground.

Best.—WERRIBEE SOUTH: O'Brien, M. Sheahan, R. Ward, L. Keogh, D. Smith. WERRIBEE: Macknamara, G. McNaughton, Brown, Allison, Cullen, Parker.

Goals.—SOUTH: R. Edwards 4, Allison 3, Caldwell 2, Phelan 1, Macknamara 1. WERRIBEE: D. Smith 1, Phemister 1.

GOOD WIN TO C.Y.M.S.

Williamstown C.Y.M.S. demonstrated their final four ability when they easily defeated a determined Newport at the J. I. Gray Reserve on Sunday.

	Newport	v.	C.Y.M.S.
1st Qr.	0 0 0		8 4 52
2nd Qr.	2 2 14		12 7 79
3rd Qr.	3 5 23		14 8 92
FINAL	3 8 26		16 10 106

A dazzling eight goal first quarter by CYMS soon settled who was the better side in this game.

By half time they had 12 goals on the board, six of which were kicked by star ruckman Steve Rieger. They made full use of the breeze in the first term and then attacked into it in the second quarter.

As the rain hit after half time, Newport's little men, capably inspired by Andy Stewart, fought back tenaciously. Had they been a little more accurate in front of goal they may have outscored their opponents after the interval. The rain seriously hampered the CYMS big men and this was not encouraging from a final point of view, as if rain prevailed next Sunday they would lack drive from their big men upon whom they rely so much.

Best.—C.Y.M.S.: Rieger, Ambrosy, Dooley, Gulliver, Sinclair. NEWPORT: Lynch, Stewart, Miller, Kite, Moir.

Goals.—C.Y.M.S.: S. Rieger 6, Vaughan 4, Ambrosy 2, Beani 1, Kelly 1, Foster 1. Doonley 1. NEWPORT: Bacon 1, Outen 1, Shiells 1.

CENTRALS EASILY

Central Altona continued on their merry way with an easy win over Laverton at Laverton on Sunday.

	Laverton	v.	Centrals
1st Qr.	1 1 7		5 7 37
2nd Qr.	1 3 9		9 11 55
3rd Qr.	2 3 15		12 13 39
FINAL	2 3 15		17 15 51

With a chaotic attack, Centrals were not impressive in their decisive win. They had many goalkickers and had opposition been a little stiffer they may have received fright.

Robert Johnstone and Basil Szatkowski were again among their best players and sent them into attack repeatedly.

Laverton fought well against "big time" opposition and should be pleased at finish the season on such a note.

Robert Rigney and Larry Jewell were the best of the determined bunch of players.

Best.—CENTRALS: Johnstone, Szatkowski, Peatling, Banks, Hillier. LAVERTON: Rigney, Murphy, Jewell, nister, Howell.

Goals.—CENTRALS: Johnstone 5, Gathercole 2, Crawford 2, Peatling 2, Kakosch 2, Hill 1, Strubas 1, Barnes 1, Hillier 1. LAVERTON: 1, Sytema 1.

ALTONA WHITEWASH I.N.F.

With second place their sights Altona "went for the doctor" when they crushed I.N.F. at Gray Reserve on Sunday.

	Altona	v.	I.N.F.
1st Qr.	9 7 61		0 0 0
2nd Qr.	17 12 114		0 0 0
3rd Qr.	23 15 153		0 0 0
FINAL	27 21 169		0 0 0

Little can be said about the episode. Altona needed a tremendous effort to gain second place and they really rose to the occasion.

The return of "Dad" Munro to centre half forced lifted the Altona attack. His co-operation with full back Jimmy Page was encouraging, so far as the day with eight goals.

INF offered little opposition to this powerful machine. They finished the day in a position—the first time they have failed to score this season. Their best player was have been Ron Reidy, who was tireless in the ruck the entire match.

Best.—ALTONA: Munro, Page, Hobbs, Bartolo, McL. I.N.F.: R. Reidy, J. Richards, O'Malley, Ma Flynn.

Goals.—ALTONA: Page, Cummin 4, Munro 4, Mile 2, Camilleri 2, McLean 2, Clarke 1, Ewen 1, Schv 1, Hobbs 1, Tyrell 1.

TIE IN £50 AWARD

Junior ruckmen STEVE RIEGER (C.Y.M.S.) and KEVIN LYNCH (Newport) have tied on 31 votes each and will share the Howard Parish Pty. Ltd. £50 cash award.

Before Sunday Rieger was one vote behind Lynch, but the independent observer appointed by the League awarded Rieger three votes for his display against Newport and awarded two votes to Lynch for his performance in the same game.

Newport centreman ANDY STEWART, finished the season one vote behind the winners after being awarded three votes last Sunday.

Leaders in the voting when it concluded on Sunday were—31 S. Rieger (C.Y.M.S.), K. Lynch (Newport).

30 A. Stewart (Newport). 24 R. Reidy (I.N.F.). 20 E. Szatkowski (Centrals), C. Peatling (Centrals), A. Parker (I.N.F.), J. Cameron (Laverton), G. Sheahan (Werribee).

19 L. Jewell (Laverton).

PROGRESSIVE VOTING, FISHER AWARD.

25 J. Martin (Metro Farm). 23 K. Murrell (Centrals). 21 R. Dingey (Rovers), M. Piovesan (Altona).

20 T. Jenkins (Newport).

(The winner can only come out of the top five players.)

17 K. Munyard (South), J. Pitt (Rovers), T. Stoios (South).

WERRIBEE RIFLE CLUB
On Saturday last shooting took place over 900 yards. Although a fluctuating rear fish tail wind prevailed, some very good scores were recorded.

After the first stage D. Breguet, D. Turner and B. Comben each 48, were the joint leaders. In the second stage Comben carded another 48, but was beaten for the scratch honours by Breguet with a 49.

Details are as follows—

A GRADE
Scratch: D. Breguet.
Handicap: B. Comben.

D. Breguet, 48, 49 (5.2)—102.2;
B. Comben, 48, 48 (5.2)—101.2;
D. Turner, 48, 45 (7.2)—101.2;
I. Taylor, 43, 46 (10.0)—99.0;
R. Hopper, 41, 48 (8.6)—97.6;
R. Horton, 41, 49 (5.2)—95.2;
P. Mark, 45, 45 (4.8)—94.6;
J. Sandford, 44, 42 (8.0)—94.0;
R. McKean, 41, 45 (7.2)—93.2;
R. Morrall, 43, 42 (5.2)—90.2;
G. Thomas, 46, 39 (5.2)—90.2;
J. Richmond, 42 40 (6.0)—88.0;
E. Watt, 39, 39 (10.0)—88.0;
S. Edwards, 33, 41 (7.2)—81.2.

B GRADE
Scratch: G. Peel.
Handicap: R. Tardrew.
R. Tardrew, 41, 37 (24.0)—102;
D. Gould, 23, 35 (22.6)—100.6;
G. Peel, 38, 43 (12.6)—93.6;
I. Roberts, 44, 36 (12.0)—92.0;
R. Simmons 35, 33 (18.6)—86.6;
A. Wagner, 34, 34 (16.0)—84.0.

SATURDAY'S SHOOT
The shoot next Saturday will be over 300 yards. The club presentation night will be held next Saturday, August 31, in the club rooms in Aviation Road.

MAHER ROAD FOOTPATH

The Department of Air has agreed to make an "ex gratia" contribution to the Werribee Shire Council of 50 per cent. of the cost of constructing the footpath, kerb and gutter in Maher Road, Laverton, although, legally, they are exempt from any cost connected with this work.

This information is contained in a letter received by the Laverton Branch of the Australian Labor Party from the Department.

The council will now commence extending the existing kerb and gutter, which is necessary to improve drainage conditions before the proposed footpath can be constructed.

Traffic Offence Charge Dismissed

Arpet Victor Kinsas, of Jamieson Street, Laverton, was charged that on June 3, at Altona, he failed to stop his car when pedestrians were within the crossing. He pleaded not guilty.

First Constable N. Ross of the Highway Patrol, said that at 8.50 a.m. on June 3 he was in Millers Road near the Seaholme Primary School.

There were three children on the western side of the road, there was no kerb or footpath. They were between the poles and the flags were erected. Kinsas crossed in front of the children and when he stopped him and asked why he crossed defendant said they were not on the crossing, and he went over very slowly at about 3 m.p.h.

Kinsas said in the witness box he was going north towards the refinery and saw a car stop and three children

Cr. A. Davis New Shire President

Cr. A. Davis has been elected president of the Werribee Council for the coming year. There were two nominations for the position—Cr. Davis from the East Riding and Cr. F. Jones from the West Riding.

Voting was Cr. Davis 8 and Cr. Jones 6 votes. President's allowance was set at £400 with a contingency of £100. A wet cupboard will be provided.

Cr. Davis thanked the council. He voiced his reliance on the advice and assistance of older and more experienced councillors. He feels sure he will receive their co-operation and also that of the shire secretary and shire engineer.

Above all he will look for the continued prosperity of Werribee.

Cr. Davis, a chemist, is a resident of Laverton. He is married with two children. Coming from North Essendon but three and a half years ago, he has fully identified himself with many district interests.

Te has represented the East Ward for the past three years and incidentally is the youngest councillor.

Cr. Davis is a Werribee Lion. He is Laverton's representative on the Werribee Hospital Committee and is a member of the Werribee Regional Ambulance Committee.

His active support of the Laverton Progress Association and the Armstrong Street Primary School Committee further that he has Laverton very much in mind, when he expresses his hope for the progress of the Shire.

PERSONAL

Werribee has a business classified as a BLOCK and CHAIN Factory.

When referring to the factory one Werribee Councillor has considerable trouble in remembering the correct classification.

Has he had "inside" experience because he unconsciously refers to the business as the BALL and CHAIN Factory?

LAVERTON PRE-SCHOOL AND INFANT WELFARE CENTRE

The installation of a telephone at the Laverton Pre-School Centre should be effected in approximately four months time.

This is the latest time set for supplying this service by the P.M.G. Department.

Previously they stated the delay would be 12 months.

Following the notification by the P.M.G. of 12 months delay the Werribee Council requested an extension from the Welfare Centre telephone. The P.M.G. would not agree to this proposition but they will endeavour to connect the service in four months time.

The committee of the centre informed the Werribee Shire Council that it wishes to confine its activities to raising funds for necessary equipment and materials as required. The committee feels it has no obligation to contribute to the general management of the Centre.

WERRIBEE SHIRE COUNCIL BREVITIES

The Secretary for Railways has informed the council that the proposal to construct the roadway between Station and Cherry Streets, Werribee, is being investigated.

The Minister of Transport has discussed complaints re the Laverton Stockyards with the Railways Commissioners. The Minister feels residents and shopkeepers are not being inconvenienced by the stockyard. As soon as stock arrives at the yards the station master has been instructed to notify the company who will then immediately arrange for removal of the stock. The longest period stock should be held in the yards is while waiting for a second trip of the pick-up transport. This information was forwarded to the council by Mr. G. R. Crick M.L.A.

The Housing Commission is considering the request for a deputation from the council relative to preference to local families purchasing Commission Houses. The council also wished to discuss houses being made available for school teachers.

An employee of the council will attend a course during October for instruction in planting and care of street trees.

Philip Campion and Bob Leoce were invested as Boy Scouts at a ceremony held in the Scout Hall on Wednesday, August 21.

Members of the troop will visit Flinders Peak on Saturday, August 31, for the purpose of passing tests.

R. McDonald was invested as a rover at Gilwell Park on Sunday, August 25, by Rover Scout Leader R. Bottles.

The Cub Pack held a hospital night on August 22, when all members were dressed as either doctors, nurses or as patients.

On September 14 the Cubs will visit the Police Children's Traffic School to learn the rules of the road.

Twelve new chums have been taken into the Pack during August.

The following have passed tests—

Bradley Francis, Leaping Woolf's Badge. Roy McKee, House Orderly. P. Howells and Philip Short, Entertainer's badge.

CYCLIST INJURED

While competing in a road race Laverton cyclist, Barry Myers, of Jamieson Street, was injured in a bike crash.

He was admitted to Ballarat Hospital where he was treated for lacerations to the head and many abrasions to the body. He was later discharged and allowed to go home.

BROWNIE'S ESSAY

After a day out the Brownies each wrote an essay with the idea of submitting the best essay to the "Star."

Following is the one selected as being the best.

OUR BROWNIE OUTING

It was Saturday the 10th of August, the 2nd Laverton Brownie Pack were going for a barbecue picnic to National Park, Fern Tree Gully. We caught the 8.41 train and changed at Flinders Street Station. Unfortunately we missed the train, and had to wait five minutes for the Lilydale train, we were to change at Ringwood.

At last we reached Upper Fern Tree Gully station. We got out of the train and walked up the path that lead to the park.

On the way we saw a lovely tree.

It looked just like an artificial Christmas Tree, with its green leaves and with its head bowing in welcome.

Now we had reached a barbecue. We started cooking our lunch and while eating it a kookaburra swooped down and took some of the meat. When lunch was finished we all went to the kiosk and bought a drink. While we were there we had a look at the birds, there were cockatoos, crimson rosellas and lots of other beautiful coloured birds, as well there were two lovely shetland ponies.

Then we went back to the picnic spot and had a few games and afterwards we went back to the station and caught the train home.

On the way we counted all the stations and they added up to 31.

We arrived home at about 6 p.m.

What an exciting time we all had had.

—By L. A. Moss, No. 8, Gnomes.

WERRIBEE GOLF CLUB NOTES

Leading cards for last Saturday's 18-holes stroke event are—

A GRADE
D. Evans: 68 (13) 55; R. Hodge: 70 (12) 58; L. Bright-hope: 73 (10) 63.

B GRADE
B. Scott: 78 (20) 58; F. Farrent: 77 (15) 62; K. Lawrence: 83 (20) 63.

C GRADE
A. Bugg: 88 (26) 62, on a count back from J. Sweeting: 84 (22) 62; G. Bonoured: 87 (24) 63.

ASSOCIATES
Final round of the championship was won by Mrs. N. Gibbs for the third year running.

The A Grade Handicap was won by Mrs. J. Luhrs.

The B Grade Handicap was won by Mrs. P. Shanahan.

TUESDAY

The 18-Holes Stroke for the Captain's Trophy was won by—

A GRADE: Mrs. J. Luhrs 66.

**SPORT****Baseballers Win Well****WEST NEWPORT RETAINS SECOND PLACE**

After allowing Melbourne University to go to a 7-1 lead West Newport staged a thrilling last-minute fight-back to win the match 12-7 and earn the right to play Northcote in the second semi-final next Saturday.

A TEAM

West Newport got off to a bad start when Melbourne University batted in 3 runs in the first innings and then retired the first three West Newport batters.

A run in the third innings to West Newport improved their chances of catching Melbourne University, but 3 runs in the fourth innings and 1 more in the sixth took University away to a 7-1 lead.

Faced with the prospect of dropping to third place West fought back to score 3 runs in the seventh innings and brought their score to 7-4.

University cracked in the eighth innings, and with walks by the pitcher and many fielding errors West Newport scored 8 runs and led 12-7.

No trouble was had in retiring Melbourne University in the ninth innings to win the game 12-7.

Tony Michael pitched well to Alan White and the infield played well after an early lapse.

INNINGS SCORES

West Npt. 001,000,380—12.
Melb. Uni. 300,301,000—7.

Safe Hits: Tony Michael 4
Ron McDonald Sen. 2, John Armstrong 1, Kevin Michael 1, John Reale 1, Alan Solomano 1.

Best Players: Tony Michael, Alan White, Ron McDonald Sen., John Armstrong.

FINALS TEAM

The team for the second semi-final will be announced at the player's night tonight (Thurs., May 29), when Mr. Gordon Russell, former Footscray coach, and Mr. Ces Glasson, a top baseball umpire, will give a lecture to all players.

SATURDAY'S GAME

The game against Northcote next Saturday is to take place at Loft Reserve, West Newport, at 12.30 p.m.

All spectators and interested persons are urged to attend and support the local team.

This is the second time the senior club has made the finals in the three years of its existence.

TABLE TENNIS NEWS**WINTER PENNANT**

With the completion of the 15th round last week the winter pennant season has now reached the semi-final stage, and only the top teams are left in the battle for the premiership of what has been a most successful season.

In A Grade Maidstone (Paul Rogers and Robert Rowan) defeated Altona Alby Walker and Jan Sroka 3-2 in a close and tense semi-final, with Maidstone clinching the match on the vital doubles.

Williamstown Swimming Club (Terry Smith and Bob Morgan) had no difficulty in winning 3-0 from Australian Glass Manufacturers (Robert Faust and Nick Petrenko), and this week Altona meets Williamstown in the preliminary final.

Altona Petrochemical (Garvin, Dyall) retained top place in A Reserve, leaving Seagulls (Okuniewski, Cooper) to fight out the semi-final with Albright & Wilson (Smallwood, Petrenko) tonight.

SUMMER COMPETITION

Entries closed for this competition on August 23, however, while the draw is being arranged, late entries may be considered if there are byes in a particular grade. Players

SOCCER

By Johnnie

In one of the most interesting and unusual soccer matches seen this year at the J. T. Gray Reserve Williamstown met Coburg last Saturday.

No fewer than 15 goals were scored in a goal-scoring spree by both teams. The game was a vital one for Williamstown which is in danger of relegation to Division 2.

The final score was Coburg 10, Williamstown 5.

Williamstown's first goal was scored by centre forward Robert Faust with a 20 yard shot.

When Coburg's goalkeeper dropped the ball Williamstown outside right Walter Rosenzweig snapped 'Town's second goal. The third goal was an expertly placed 40 yd. drive by inside left Tom McGoldrich. After a shy, young Fred Pace raced through for Williamstown's fourth goal. Beautiful teamwork when Tom McGoldrich passed to Robert Faust, who passed to Walter Rosenzweig resulted in Williamstown's 5th and final goal.

The match was fast and vigorous. Williamstown goalkeeper John Nyssen was carried off the field with concussion after a clash. Replacement John Inniss was also injured and then Bobby Rositz took over as keeper.

Referee's votes for best players went to Walter Rosenzweig, 3; Robert Faust, 2; Fred Pace, 1.

THIS WEEK'S GAME

Sicilia v. Williamstown is the final game of the League season. It is vital that Williamstown wins as a win will definitely mean 'Town stays in the first division next season. A loss could mean a drop to Division 2.

RESERVES

Williamstown 2 drew with Coburg 2. Goalscorers were Ludwick Assman and Fred Pace.

Best players were Tony Slegtenhurst, 3; Fred Pace, 2; Sandy Hay, 1.

or teams interested should call the Centre, Garden St., Williamstown, this week, or phone Mr. Jack Wylie at 65-6211 or 65-6863.

ALTONA-INTEREST

Ivon Northage, who played competition with Williamstown Athletic Club a few years ago, and Tom Smith, who is currently one of the top players in D1, have been active on behalf of the Altona Working Men's Club.

Assisting them is a committee including Altona residents Mrs. A. Howie, Mrs. J. Thomas, Mrs. T. Reissman and Mrs. W. Poppinga. A practice and social night is being held this week at the excellent premises of Petroleum Refineries (Australia) Ltd., and arising from this several teams could enter competition in the Western Suburbs.

BROOKLYN

Brooklyn Youth Club entered two teams in the Winter Season and both gained useful experience.

They will be joined by a team from Co-operation Farmers and Graziers, of McDonald Road, Brooklyn, whose team will be Mrs. J. R. Davis, Jerry Slabic, Marie Slabic and S. Simonidis.

**SPORTING
PERSONALITIES
PAST AND PRESENT****No. 3—GEOFF HEYME**

Sth. Melbourne Footballer

An Altona resident for the past eight years, Geoff Heyme is a name well-known in connection with local sport, and, to a greater extent, League football.

Geoff plays for South Melbourne, a club which apparently finds the Altona area a happy hunting ground for football recruits.

The lead up to Geoff's sporting career is similar to that of many other members of the sports world, he, having commenced his football career at school. Geoff had the privilege of taking the field as captain of the West Footscray Primary School 18 during his term with the school.

Playing football for Williamstown Technical School, Geoff took part in 33 games, which we believe is close to a record number of games by a player at that school, he also had the honour of being captain of the third and fourth year forms.

Geoff had two seasons with Footscray 5ths, an under 16 competition team and rather successful seasons they were as two premierships went their way.

Well-known Footscray players, Bob Ware, Charlie Evans, John Jillard and Merv Hobbs were members of this team.

In 1959, Geoff played for the Altona 2nd XVIII and was very successful, as he dead-headed for the "Altona Star" trophy and was runner-up in the best and fairest award. He played in the centre and was to see his team become runners-up in that season.

While representing Altona in their Sunday League, Geoff was busy playing for South Melbourne 3rds on Saturdays, thus proving him a keen player to say the least.

On the wing position for South 3rds in 1961 a season in which they were runners-up to Essendon, Geoff polled 3rd position in the club's best and fairest award, he was also on the V.F.L. training list for the Under 19 team to play South Australia at the M.C.G. in that year.

Geoff managed to make the senior list for South in 1962 and played a total of five games with the firsts, the remainder of the season was with the seconds. As for 1963, he has been with the first on three occasions, all other games again with the seconds.

He has played consistently as winger in these past two seasons.

Golf and yachting also gain

**ALTONA DART
LEAGUE NOTES****SINGLES CHAMPIONSHIP**

Last Thursday night 50 players vied for the singles championship title. Games of 501 straight start and double finish were played and Bill Patchett of Ad Astra emerged the champion for 1963.

Wally Ellis (Central Altona) was unlucky not to take this match as he scored the possible, three treble 20's.

Final results were—

1st: W. Patchett (Ad Astra); 2nd: J. Graham (Brooklyn Hostel); 3rd: N. Jessup (Union Carbide).

DOUBLES CHAMPIONSHIP

Tonight will see the battle for the doubles title at Marion Hall, Seaholme, commencing at 7.30 p.m.

SUMMER COMPETITION

Friday, September 6 will see the start of the summer competition and with six new clubs entered, the season will prove interesting. Twenty-four teams have entered, which means that there will be four divisions, each consisting of six teams.

The team in each division with the most match points or the highest percentage at the conclusion of the home and home matches will constitute the final four.

DELEGATES MEETING

The next delegates meeting will be held at Marion Hall, 9 Queen Street, Seaholme, commencing at 8 p.m. and clubs are reminded that a fine of £1 will be automatic if two representatives are not in attendance.

At this meeting the League's special effort will be drawn.

**ALTONA HOCKEY
CLUB NEWS**

A GRADE.—Playing the Royal Australian Air Force the second team on the premiership ladder, Altona extended them to their most and nearly carried out this game.

B GRADE.—In an evenly fought game at Ivanhoe Altona scored in the first five minutes and though in attack often, failed to score goals that count as one was disallowed and cost them the game.

Final scores: Altona 1 draw with Ivanhoe 1.

Goal: K. Burgess.

Best: J. Gordon, C. Turner.

C GRADE received a walk over from National Bank.

NEXT WEEK'S GAMES

A Grade v. Essendon away at 3.30 p.m.

B Grade v. Brunswick at Altona at 1.45 p.m.

C Grade v. Greensborough away at 3.30 p.m.

a mention in Geoff's sporting make-up, he has a best score of 74 and has a handicap of 7 at Koorlingal.

Sailing as a crew member in Cadet Class Craft "Smithy" with the Altona Yacht Club in 1958-59, Geoff had a small measure of success notching a second placing in a Junior Title.

Over all, Geoff has had an interesting sporting career and as he is only 21 years of age, he could further add to his record. — STAN CLEG-HORN.

NEXT WEEK: John Comben—Carlton.

ALTONA EAST PRIMARY SCHOOL FOOTBALL AWARDS FOR 1963

Derek Hendry, Altona East captain, has won the school's best and fairest award for this year, scoring 33 votes out of possible 40. Voting was as follows—

Derek Hendry 33, Guni Jovanovic (vice captain) 22, Guni Dilderats 17, Bernard John Matthews 6, Theo Haass Ryan 10, Alan Bartlett 10, 4, Stephen Bensch 3, Wolfgang Kinder 3, Philip Halls 2, Granam Smoult 2, John Kizan 1, Rudy Seitz 1, Tomy Heller 1, Joe Sabo 1, Harold Wennig 1, Silvester Rando 1.

GOAL KICKING

Derek was also the top goal kicker with 13 goals. Others to kick goals were— Joe Sabo 6, Vlada Jovanovic 5, Guni Dilderats 5, Philip Halls 4, Bernard Ryan 3, John Kizan 2, Tony de Michele 2, Stephen Bensch 1, Alan Bartlett 1.

The team's coach, Mr. R. Miller, presented Derek with an inscribed medal and the head master, Mr. Duffy, gave him a photo of the presentation of the district shield. Derek was congratulated on his successful season of football, and complimented on his fair play and fine qualities of leadership.

PRESENTATION OF DISTRICT SHIELD

Recently, Mr. A. Blackie, the Seaholme head master, who is the president of the Williamstown-Altona District Schools' Sports Association, visited Altona East to present the district shield (which has been held for the last two years by the Altona Primary School) and the football with which they won the district shield against Werribee.

After being welcomed by Mr. Duffy, Mr. Blackie congratulated the team on their successful season, and stated that it was all the more meritorious as the school was only three years old, and this only the second season of inter-school matches.

The shield and football were then presented to Derek Hendry, who showed that another of his fine qualities is speech making, by thanking first, Mr. Blackie for coming to the school and presenting the trophies, secondly coach Mr. Miller, for training them every minute of the day, and finally, "the men in the boys' team" for playing so well and winning the premiership.

HOUSE FINALS

Monana House (gold) won the football and basketball premierships very narrowly from Dinpanari (blue) last week. Having finished on top of the ladder in both sports, the results were quite fitting.

Football. — Monana 2.10.22, defeated Dinpanari 2.6.18. In an even tussle Monana withstood a finishing burst by Dinpanari to hold on to a four-point win.

Best. — MONANA: Derek Hendry, Joe Cassar, Guni

Dilderats, Rudy Seitz, Arto Sakala, George Lott. DINPANARI: Tony de Michele (best on the ground), Graham Smoult, John Matthews, Billy Gray, Joe Sabo, Stephen Bensch.

Basketball.—In a thrilling game Monana snatched a one goal win from Dinpanari, 14 to 13.

Best. — MONANA: Cheryl Leader, Vicki Anderson, Barbara Rus, Elaine Izydorczyk. DINPANARI: Dianne Heazlewood, Rhonda Brook, Christina Jekic, Ann McAulay. Sharon McMinn, captain of the school team, umpired the match.

CATHOLIC PRIMARY SCHOOLS SPORTS

The result of the Light-nig Premiership held on Sunday, August 25, at Werribee to finalise the sports of 1963 was won by the following—

Football: Werribee. A Basketball: St. Albans. B Basketball: West Footscray. C Basketball: Spotswood. The trophies were presented to the winning teams by Cr. J. Smith, who has just completed a term as Shire President of Werribee.

SAFETY

Nearly 150 guests attended the Industrial Safety Symposium conducted at the Altona Refinery last Thursday commencing at 11.30 a.m.

The luncheon provided included "prawns and oysters galore," "a turkey as large as an emu" and "the feast was better than a wedding breakfast."

The theme of the symposium was "Safety Pays" but apparently the organisers, by inviting the visitors to gorge themselves on such a fare did not play "safe" with digestions.

But then of course the dictionary in defining the word "Symposium" starts off "A feast . . ."

ROAD SAFETY STARTS WITH YOU

In the time it takes a pedestrian to walk six steps, a car travelling at 45 m.p.h. covers 200 feet. Road safety starts with you—the pedestrian keeping alert. — Australian Road Safety Council.

LIFESAVING CLUB NEWS

Over the previous few weeks the club has been advertising a picture night and general training.

This was held on Thursday night last, and was a great success. The attendance was poor, but all those who attended, had a very enjoyable time. The club would in future like to see more parents attend these picture nights, so that they can see what the young people of Altona are doing for the community.

The club would also like to see anyone interested in life-saving to come down to the club rooms any Monday night between 6.30 and 8.30 p.m. and the instructors will only be too pleased to instruct you on the new methods of resuscitation, including mouth to mouth.

MEETING

The next monthly executive meeting will be held in the club rooms on Tuesday, September 3 at 7.30 p.m. sharp.

SPECIAL EFFORT

1st: Mrs. M. Richards, 194; 2nd: Mr. L. Erichson, 171; 3rd: Mrs. Sue Parham, 88. Consolation: Mr. Wynard, 203; Mrs. Mellett, 52; Mr. Stokes, 216; Mr. Barrow, 186.

ALTONA PEDAL CLUB NEWS

The annual meeting of the Altona Pedal Club will be held at 77 Maidstone Street, Altona, on Sunday, September 1, at 2.30 p.m.

The meeting will be chaired by Mr. R. Hurrell, State Organiser of the Council of Pedal Clubs.

All members and intending members are asked to attend. On Sunday, August 25, the club went to Albert Park with only a few riders and won the B Grade Premiership of the day.

Besides having a good time members witnessed some good racing in the Junior Championship and School Boy Championship conducted by the For Good of Cycling Committee.

Congratulations go to Ray Mancer for again winning an individual trophy.

Also to Gail Stiles, Helen Hayes in the girls, and Kevin Middleton and Paul Martin who rode so well in their own age groups and in older groups, making possible the winning of the premiership.

Also to the others who did well in their own age groups.

GUIDES AND BROWNIES

A "flying-up ceremony" was held at the 1st Altona Pack meeting for Denise Crofts, who "flew" into 1st Seaholme Company.

Commissioner Brooks, Capt. White, Lieut. Crellin and Guides were present at the ceremony.

2nd Altona Pack had a farewell party for Pauline Warren Carol Bolger at their last meeting, as Pauline is leaving the district and Carol is going into Guides.

BADGES

Tests passed recently are— Golden Badge: Denise Hutton, Elaine Scott, Lesley Hyde, Kaye Studley, Jennifer Rice and Beverly Colvin.

Golden Bar: Lesley Hall-Bentick, Janet Scott.

First Aid: Julie Hutton, Alison Armstrong, Jill Colvin, Julie Flett, Gail Studley, Jeanette Walker, June Hyne, Pauline Warren, Nola Kaye and Janet Scott.

Road Safety: Julie Flett, Pauline Warren, Janet Walker. 1st ALTONA COMPANY.— 2nd Class: Elizabeth Wright. 1st Seaholme Company Guides attended a hike to Fern Tree Gully with 3rd Williamstown.

Fire lighting and cooking was practiced and all had an enjoyable day.

STREET STALL

A street stall will be held on Saturday, September 7.

KOORINGAL GOLF

ASSOCIATES

The final of the A Grade Championship was won by Mrs. O. Miller, 2 up.

Semi-final B Grade Championship: Mrs. I. Fordham and Mrs. P. Holdsworth.

Semi-final C Grade Championship: Mrs. F. Raphael and Mrs. A. O'Dea.

Eighteen-hole stroke winners were as follows—

A GRADE: Mrs. N. Turnbull (12), 82 net.

B GRADE: Mrs. R. Shoppe (35), 81 net on a count back from Mrs. R. Logan.

LABOR VIEWS

(The following article has been supplied to the "Star" by the Central Executive of the Australian Labor Party.)

The Acting Premier of Victoria is fooling nobody but himself if he thinks that country people will be impressed by his address to the annual conference of the Liberal Party on his Government's attainments on decentralisation.

He endeavoured to convey the impression that there had been great successes achieved in the establishment of many new industries in country towns.

What he failed to say was that for every new industry opened there were several forced to close down.

The establishment of Campbell's Food Canning Factory at Shepparton was in the list of industries quoted by Mr. Rylah.

The truth is that Campbell's entry into the canning industry was a take-over of an existing one, and that as a consequence of this take-over, a similar factory was closed at Bendigo.

This factory employed approximately 100 during the winter months and 300 during the canning season.

Throughout the whole of Victoria, industries have been forced to cease operation because of their inability to compete successfully with similar industries established in the metropolitan area, and the lack of assistance received.

The textile industry has suffered badly in this respect. Factories have closed up at Bendigo, Daylesford, Creswick, Gippsland and other centres.

The flour industry has met a similar fate. There are many others too numerous to mention.

This record of the Bolte Government is too well-known for any credence to be given to exaggerated claims by Mr. Rylah or any other spokesman for the Liberal Party.

The number of closures of industries in country areas, lack of other developmental works, and its mishandling of land settlement cannot be glossed over.

Country people have had enough of the Bolte Government. The only alternative to the Liberals is the Australian Labor Party, and its policies.

CUBS AND SCOUTS

Last Friday night a combined "going-up and investiture" ceremony was held by 1st Altona Scouts.

It was pleasing to see so many parents joining in and enjoying their children.

During the evening a plaque to the memory of Cub Ray Kinnaburgh was unveiled by Mr. and Mrs. Kinnaburgh.

Cubs who crossed the bridge into Scouts were Ken Randall, Ian McLennan, Tommy Mochan and Brian Garde.

Invested was Lester Stone.

BADGES PRESENTED

Second Class: Peter Fairway, Adrian Scott, Robert Liddle, Bruce Grant, Wilson Herlot, John Delorenzo.

Swimmer's Badge: Peter Euinton.

Third Year Star: Dennis Garde.

First Class Badge: Peter Bradshaw.

Robert Liddle was awarded his Patrol Leader's Badge.

YOU YANGS HIKE

Last Sunday Scouters and Patrol Leaders gained a lot of knowledge during a hike in the You Yangs. Not only did it enable the boys to put to practical use all their scouters had taught them on mapping and compass work, but it also taught each to know the other a little better.

Congratulations go to one small boy who managed to keep up with Senior Scouts on their hike. He also did his "compass and log." This lad, Keith Euinton, gained the admiration of two very weary seniors. By all accounts a very adventurous day was spent by everyone.

PAPER COLLECTION

Boys are requested to keep bringing in the "goods."

Industry Accidents High Cost

Accidents in industry were costing every family in Australia more than £1 a week, Mr. John F. Pilbeam said today.

Mr. Pilbeam, who is personnel director of Australian Synthetic Rubber Co. Ltd., told a symposium of industrial safety that National Safety Council figures showed the total cost of work accidents in Australia amounted to about £160,000,000 a year.

This represented £16 for every man, woman and child in the community, or £64 a year for an average family of four.

The symposium was organised by the Victorian Division of the National Safety Council of Australia and held at the Altona Refinery of Petroleum Refineries (Australia) Pty. Ltd.

The managing director of the refinery, Mr. W. A. Williams, said that at the present time the refinery had operated 251 days without an accident.

Mr. Williams said his company's safety record, in an industry that might be expected to produce a high proportion of accidents, was the result of continued efforts to ensure that every possible safety precaution was taken.

Mr. F. M. McCabe, industrial executive officer of the National Safety Council of Australia, Victorian Division, said the council believed the accident rate of all industries could be substantially reduced.

Industry should not be concerned only with the number and severity of lost-time accidents. Statistics showed that so called minor accidents resulting in injuries were about 30 times more numerous than the apparently more serious accidents.

THE D.L.P. SAYS . . .

(The following was contributed to the "Altona Star" by the Labor Federal Electorate Council of the Democratic Labor Party.—C. P. Meehan, Secretary.)

Speaking at Mildura on August 12, in the course of a tour of Northern Victoria, Mr. F. McManus, who was a Victorian Senator from 1956 to 1962, and is now Federal Organising Secretary of the Democratic Labor Party, said that the D.L.P. was preparing against the possibility of an election earlier than the due date, December, 1964.

All branches had been asked to work on financial and organisation, and select candidates. The D.L.P. would contest every seat in both the Federal and State elections. It hoped to continue the improvement shown in its aggregate vote from 1958 to 1961, when one Victorian in six now voted D.L.P.

Mr. McManus said that in every election, defence and security were now the first issues. He was pleased that the Returned Soldiers' League, which was non political and supported no political party, was taking the lead in seeking improved defences for Australia, and had, at last, forced action from the Menzies Government. The D.L.P. had been the only Party in the 1961 election to call for doubling our defences in three years. In 1961, Sir Robert Menzies had claimed our defences were adequate and Mr. Calwell in his policy speech brushed off defence by stating that an A.L.P. government would spend no more on defence than the Liberals had. The D.L.P. had been proved right in demanding better defences for Australia.

Mr. McManus said the Democratic Labor Party believed the overseas situation was so serious that National Service was necessary. The R.S.L. had also called for National Service. The A.L.P. opposed National Service, but the D.L.P. believed it was essential because—

- ★ Our defenders must be trained in modern arms;
- ★ It was democratic because all shared in defence, not the few who volunteered;
- ★ The volunteer system was not getting the recruits; and
- ★ National Service gave good disciplinary training.

He also said that the D.L.P. of course, envisaged a better system of National Service than the former unsatisfactory system.

Mr. McManus said that the D.L.P. supported the American Base in Western Australia, because anything associating America with our defence was a gain. We could not defend ourselves, and must keep the American alliance.

With an Asian Nation sharing a land boundary with us for the first time in history, and aggressive Communism on the march in South East Asia, defence and foreign policy must be top issues.

Mr. McManus said that the Australia-Japan trade treaty just signed was good news for Australian producers. The A.L.P. had strongly opposed the first trade treaty with Japan in 1957, claiming it would harm manufacturing industries in the cities, and cause unemployment, but the A.L.P.'s prophecies of doom had not been borne out.

The D.L.P. supported the Japan Trade Treaty. Where would the primary producer be without Japan, which was our best wool customer, also our best customer for coal, copper, pig iron, hides, manganese, opals and glycerine, our second best customer for zinc, lead, and milk casein, third best for wheat, skim milk, sugar, scheelite, and residual oil, and fourth best for beef, mutton, lamb, cheese, tallow and timber.

While taking far more from us than we bought from her, Japan had co-operated to export to us things complementary to our industries, rather than in competition, so avoiding excessive unemployment.

Mr. McManus said he must warn Australians against excessive or dangerous reliance on Red China as a market. China wanted to export to us much the type of article we were buying from Japan. It would be poor policy to fit with Red China and Japan, which was more reliable and would soon be our best customer, because our trade with Britain was falling.

He would like to see efforts to improve fruit exports to Japan, whose swelling population should provide a market.

Finally, Mr. McManus said he hoped that Australia would join New Zealand, Japan, Philippines, Siam, Malaya and other countries to form an Asian Trade Confederation. It could offer us new markets and balance possible effects of the European Common Market.

Spastic School Deferred

Following representations from the Altona Spastic Aid Committee the Altona Shire Council requested information from the Health Department concerning assistance that the Department would grant for the possible establishment of a school for spastic children in this shire.

The Department replied—

"The Department some years ago provided a building in which the Spastic Children's Society of Victoria now operates a centre for spastic children, to which is attached a special school staffed by teachers from the Education Department.

"This building is maintained by this Department, but no money for the maintenance of the Centre operating in the building is provided. In addition to the spastic children who are assessed as being suitable for training in this centre, there are a number of others who require a different type of care and training such as that given at 'Chis-Lon.' No assistance either of a capital or of a maintenance nature is given by this Department to an institution providing this type of care, although some of these other children may receive care and training in centres for mentally retarded children.

"These latter centres receive a considerable amount of financial aid through the Mental Health Authority both towards the capital cost and in the regular maintenance costs of such centres.

"I suggest that before your council enters into any definite arrangements to establish a school in its municipal district, it discuss the matter with the spastic society."

The shire secretary, Mr. J. W. Waters, will discuss the matter further with the mental health authority and the spastic society.

CENTRAL ALTONA FOOTBALL CLUB

Keith Murrell, Central Altona ruckman, last Saturday played his 50th consecutive game. This means he has played every time the Central Altona Club has appeared and next Saturday Ron Cleland, a wingman, will play his 50th game.

CABARET DANCE

On Saturday next the club is holding a cabaret dance in the youth hall. This dance is run by a very enthusiastic committee, led by John Cook. This show will be compered by Peter Barnes.

TRIP

The club is keenly awaiting the end of the season when they make their trip away. They are not taking any chances with road accidents this year, they have hired a train for their interstate trip and the expenses will be met by the club.

BOTTLE DRIVE

The club is hold another bottle drive next weekend and hope to emulate their last effort when close to £150 was received.

Altona Park Floodway

KOROROIT CREEK

FLOODWAY ACROSS WILLIAMSTOWN RACECOURSE (ALTONA PARK)

With reference to improvement works at the lower end of Kororoit Creek, the Board of Works has advised the Altona Shire Council that following a joint inspection with the shire engineer on May 3 last, and after careful consideration of the representations submitted by the council, the Board is convinced that the scheme proposed is the only reasonably practicable solution to the problem of flooding in the Kororoit Creek—Cherry Swamp area, having regard to all factors involved.

The overall scheme comprises—

1. The construction of a levee bank east and west of Millers Road along the southern edge of the Kororoit Creek catchment to prevent flood waters from that creek passing into Cherry Creek as they do under present conditions with serious effect on housing development in Altona.
2. The establishment of Cherry Swamp as a retarding basin to temporarily hold peak flood flows in Cherry Creek pending their ultimate discharge direct into the bay.
3. The construction of an outlet channel from Cherry Swamp to the Bay.
4. Substantial improvement of the natural floodway of Kororoit Creek through the Williamstown Racecourse area to provide for peak flood flows or Kororoit Creek. The peak flood flow in the future will be much greater than in the past for two reasons—
 - (i) The escape rout into Cherry Swamp will be cut off forcing all flows to remain in the Kororoit Creek; and
 - (ii) As the catchment of Kororoit Creek becomes further developed the rate of run-off will increase.

Even under present conditions, the racecourse is flooded on the average of once in every four years.

With respect to Kororoit Creek downstream of Millers Road, the alternative suggested by several Shire Councilors of deepening and/or widening the lower end of the creek has been found to be neither economically practicable nor desirable, for the following reasons—

- (a) Deepening would involve very costly excavation in rock and continuous and excessively costly dredging—it would also have to be accompanied by some widening.
- (b) Widening alone would increase the width by approximately 800 feet, thereby reducing the racecourse area by 70 acres.
- (c) The cost of widening could still be of the order of £400,000 (depending on the amount of rock encountered).
- (d) Widening to this extent

would involve demolition of the existing grandstand and of the track used by the T.Q. Sports car Club of Victoria.

(e) Widening would also necessitate some periodical dredging with consequent high maintenance costs.

In addition, it is considered that the Board's proposal will considerably improve the appearance of the area and reduce the cost of any future development scheme (such as a golf course), which might be undertaken by the council, by removing existing concrete paving, foundations, &c., and filling low water-logged areas.

Careful consideration has also been given to the likelihood of grass being killed by seawater inundation during very high tides if the area were excavated to a minimum of R.L. 5.00. From information supplied to the Board several years ago by the senior agronomist of the Department of Agriculture, this risk would appear to be very slight—this is to a large extent confirmed by the Board's experience at its farm at Werribee.

The Board requests, therefore, that the council indicate, at an early date, its willingness to enter into a formal agreement with the Board regarding the future development and use of this area, in general accordance with the Board's letter of March 14 last, as the Board cannot accept the risk of proceeding with the other items of the scheme until this matter is satisfactory finalised.

In the letter of March 14 the Board stated they regarded the racecourse as a flood plain for the Kororoit Creek.

Therefore, they wished to have effective control of the development of the area. They desired all buildings and improvements to be subject to Board sanction and then only on a non-identity basis.

But the Altona Shire Council is fighting to preserve the right to develop the Altona Sports Park.

The council will not enter into a formal agreement until the Board as requested has received a deputation of councillors.

CLASSIFIED ADVERTISEMENTS

NOTICE OF SPECIAL ORDER FOR MAKING BY-LAW No. 23.

Notice is hereby given that at a meeting of the Council of the Shire of Altona on Tuesday, August 13, the Council did resolve to make By-Law No. 23—Meeting Procedure Amending By-Law.

For the purpose of amending By-Law No. 2 as follows—

In Clause 5 (a)—Time of Ordinary Meeting—delete "7.30 p.m." and insert 8.00 p.m.

Such By-Law will have force and effect within the precincts of the Shire of Altona. Notice is hereby given that the Special Order making the abovementioned By-Law No. 23 will be submitted for confirmation at the meeting of the Council to be held at 7.30 p.m. on Tuesday, September 10, 1963.

Copies of the proposed By-Law have been deposited at the Municipal Offices, 115 Civic Parade, Altona, and are open for inspection free of charge during office hours.

JAMES W. WATERS,
Shire Secretary.

LOAN No. 35—£50,000. Special Order to be Made.

Notice is hereby given that at a meeting on August 13, 1963, the Council resolved—"THAT the Council makes a special order to borrow the sum of £50,000 from the Commonwealth Superannuation Board on the credit of the municipal revenues of the President, Councilors and Ratepayers of the said Shire, by grant of a mortgage under the provisions of the Local Government Act.

1. The maximum rate of interest that may be paid is 5½ per cent. per annum.

The purpose for which the loan is to be applied is construction of private streets £50,000.

3. The period of the loan shall be 40 years.

4. The moneys shall be repayable by providing out of the municipal funds approximately £487/3/2 annually for 40 years, to be invested in accordance with the said Act to form a Sinking Fund, and interest be paid half yearly during the currency of the loan. The first payment shall be on the first day of April, 1964.

5. The period of the loan shall be 40 years and such moneys shall be repayable at the Office of the Commonwealth Superannuation Board or at such other place or places as the Board may from time to time require.

and further, that confirmation of this Order be made an Order of the Day for the Council meeting to be held on September 10, 1963."

JAMES W. WATERS,
Shire Secretary.

SE OF SPORTS GROUNDS

Applications are invited from all organisations interested in using any of the Council's sports grounds during the summer period commencing October 1, 1963. Applications to state the ground and specific times required together with all other relevant particulars. Organisations desirous of consideration in the allocation of the Council's grounds during this period should ensure that application is made to the undersigned not later than September 16, 1963.

JAMES W. WATERS,
Shire Secretary.

ALTONA WEST PRIMARY SCHOOL

Last week the girls in Grade 5 held a stall which raised £4/17/10 for school funds.

The Mothers' Club has ent. They see camels. This be held at the school on Wednesday, August 28, at 8 p.m.

The charge will be 2/6d. and mothers are urged to attend and support this effort.

Favoured by pleasant weather, Education Day attracted a large crowd of parents and friends. It is very heartening to teachers and parent bodies associated with the school to realise that the parents are taking such an interest in school affairs. Activities included physical education displays, school choir, folk dancing, S.R.A. reading demonstration, modelling of new school football jumpers, socks and girls sports tunics, cuisenaire demonstration, marching display and two children's plays. During both afternoon and evening sessions parents and teachers discussed the children's progress.

The attendance during the afternoon of the district inspector of schools, Mr. J. Crocker, the head master of the Altona High School, Mr. J. Storey, and the head teacher of Altona Primary School, Mr. G. Trevaud, was greatly appreciated by all concerned at Altona West Primary School.

NEW CRICKET PITCH

The area of Grant Reserve immediately north of the council depot in Civic Parade has been levelled and is being prepared for sowing.

It is hoped the area will be available for cricket this season.
